## Application for the summer job at the retirement and nursing home

Dear Mr Hochleitner,

My name is Annika Veit and I am writing to apply for the summer job at the retirement and nursing home Garsten. Last summer, I have already spent four days at the retirement and nursing home as part of a holiday activity for teenagers, helping to care for the elderly. That is why I would love to join your team.

I believe that I am a good fit for the job because I am a very friendly, helpful and patient person. Furthermore, I like to work with other people and help them. I think those are good qualifications for this job.

I am confident that I can help with tasks like changing bed linen, preparing meals and keeping residents occupied. I would also love to play some games with the elderly and tell them stories. I will always do my best to make them happy!

Thank you for considering my application! Please feel free to contact me for further information.

Best regards,

*Annika Veit*
